ICU Teaching Resources

Resource	Overview	Website
Diversity: An Educational Advantage	Resources cover seven themes: identity and belonging; expectations of self, family and teachers; relationships at school; stereotypes and cultural perceptions; cultural and ethnic tensions; cultural diversity and multiculturalism; curriculum, school and culture. Also provides an overview of key policy and theoretical perspectives of cultural diversity in the context of Australian education.	**http://www.teachingdiversity.org.au** © Deakin University
Our Asian Stories	Provides a wide range of resources to support teachers in understanding the importance of teaching about Asia. The site supports the development of skills required to successfully interact with people from other cultures, as well as helping to infuse studies of Asia *across* the curriculum. From NSW DEC.	**http://www.ourasianstories.edu.au** © NSW DEC
Racism No Way	Aims to assist Australia schools with recognising and addressing racism in the learning environment. Includes a range of learning activities for grades K-3 and 4-12.	**www.racismnoway.com.au** © NSW DEC
AEF Curriculum Resources	Provides curriculum resources (by learning area and country) aimed at enhancing Asia literacy.	**www.asiaeducation.edu.au** © Asia Education Foundation
Making Multicultural Australia	Provides lesson ideas for teachers and a 'hotlist' of 'hotwords' related to media-prevalent cultural and political topics (e.g., asylum-seeker, citizenship, human rights).	**http://www.multiculturalaustralia.edu.au** © BOS NSW / UTS / NSW DEC
Immigration Museum Discovery Centre	Supports intercultural and interfaith dialogue in communities and schools, using migration stories. Includes a range of resources to do with immigration and Australia history.	**http://museumvictoria.com.au/immigrationmuseum/discoverycentre** © Museum Victoria Australia

All of Us: Multicultural Perspectives in Victorian Schools	Resource kit encouraging teachers to analyse the place of global and multicultural citizenship within their local contexts. The kit includes: a text resource for classrooms with suggested approaches for including multicultural perspectives in the curriculum; a 15 minute DVD with examples of a range of activities taking place in Victorian schools; and a professional learning program.	**http://www.multicultural.vic.gov.au/resources/all-of-us** © State Government Victoria If you would like a copy, contact Gary Shaw: shaw.gary.r@edumail.vic.gov.au
Being Me: Knowing You	Designed for 11-15 year olds enrolled in community language schools but can have wider application particularly in terms of increasing awareness of everyday human rights and discrimination and its impact on people and communities.	**http://www.humanrights.gov.au/publications/being-me-knowing-you-resource-2010** © Australian Human Rights Commission
World of Values	Provides some very useful digital resources, teachers' guides and learning sequences with values such as empathy and compassion. Access code for resources: AtvKRqfQ	**http://www.curriculum.edu.au/values/wov_landing,29317.html** © Commonwealth of Australia
Teaching for Intercultural Understanding: Professional Learning Program	Particularly helpful when organising a professional learning program. Includes: 7 learning modules; support for educators to develop knowledge and competencies in teaching for intercultural understanding; the option for self-paced or mediated learning.	**http://www.curriculum.edu.au/values/val_teaching_for_intercultural_understanding,29551.html** © Commonwealth of Australia
Intercultural Understanding	Provides real and innovative examples of how intercultural understanding has been incorporated into the curriculum at a selection of schools.	**http://www.education.vic.gov.au/school/teachers/support/Pages/intercultural.aspx** © DEECD
The Keynotes Project	Provides teacher resources about the various faiths within their school and gives direction in addressing religion, discrimination and prejudice in the classroom.	**http://www.education.vic.gov.au/school/teachers/support/Pages/multikeynote.aspx** © DEECD
Supporting Students: Values in the Classroom	Lists 22 classroom strategies to bring values to the surface in lessons.	**http://www.schools.nsw.edu.au/studentsupport/studentwellbeing/values/vitcr/strategies/index.php** © NSW DEC

Global Education: Resources Gallery	Curriculum links for primary and secondary schools, including images, videos, templates and teaching activities. Strategies for dealing with bias, diversity and stereotypes.	http://www.globaleducation.edu.au/resources-gallery/resource-gallery.html © Commonwealth of Australia
Victorian Studies of Asia Wiki	This website is filled with lessons and teaching and learning activities. It is updated regularly.	http://studiesofasia.wikispaces.com © AEF et al
AusVELS	Provides curriculum resources developed by the Victorian Curriculum and Assessment Authority.	http://www.vcaa.vic.edu.au/Pages/foundation10/curriculum/previouscurricula.aspx © Victorian Curriculum and Assessment Authority
Oxfam in Schools: Resources For Teachers	Provides interactive education resources and opportunities to help equip students with knowledge, skills and values to actively participate in a globalised digitally connected world. Teachers and students can explore global perspectives, social justice and active citizenship in relevant and meaningful ways.	https://www.oxfam.org.au/act/resources-for-teachers © Oxfam Australia
The Model Citizen Project	Contains learning resources relevant to civics and citizenship education. The resources are arranged into four areas: global citizen; Australian citizen; digital citizen; active citizen.	http://www.sev.asn.au/model-citizen © Social Education Victoria
Teacher Professional Development in ICU	PowerPoint presentations from the first ICU Project Professional Learning Day (2013). Covers how to integrate intercultural understanding using art, literature and global connections.	http://interculturalunderstanding.org/development.html © Deakin University
Owning Racism – Can We Talk?	Proceedings from a two-day conference held at the Immigration Museum in August 2012. The document covers presentations from a range of key stakeholders and researchers in Australia and overseas exploring ideas and issues regarding diversity and racism.	http://museumvictoria.com.au/pages/45186/full_paper_owning_racism_immigration_museum.pdf © Museum Victoria

Cyber School Bus	United Nations site which provides teachers with key dates for global events, conference dates, quizzes and games, publications and data enabling the promotion and investigation of global issues.	http://www.un.org/Pubs/CyberSchoolBus/ © United Nations
Go Back to Where You Came From: For Schools	An interactive resource of curriculum applicable videos from the televised program, video story descriptions, topical issues, useful links and students tasks relating to three learning levels: You, Your Country and Your Global Community.	http://www.sbs.com.au/goback/schools © SBS
Critical Multicultural Pavilion	Provides teachers with information about theory and teaching practices to promote multicultural education.	http://www.edchange.org/multicultural/index.html © EdChange
Values Curriculum Resources	Includes resources for how to build values across the whole school as well as: supporting student wellbeing through values education; valued education in intercultural and global contexts; values for Australia schooling kit; values-centred schools—a guide; world of values; national framework for values education in Australian schools; values education and the Australian curriculum.	http://www.valueseducation.edu.au/values/val_values_ed_cpl_resources_1_building_values,20874.html © DEEWR
